

## *Where Golf and Nature Play*

### **Notice to Members - Golf Update September 12, 2021**

Dear Members,

The PIGC Mixed Foursomes Championship will not be played next Sunday October 17 as per the Events Programme. It will be re-scheduled whenever possible.

We currently also have three (3) Men's Monthly Medals to reorganize - August, September and October. The October Medal requires a New Sponsor, if anyone is interested please contact the Captain or a Match Committee Member.

Thank you to Peter Moloney and the Dryforce Company for Sponsorship over the past years.

The past weeks have all been Social Golf, but let's not be complacent. The Greens are recovering extremely well following the coring, so we all need to do our bit to ensure they remain well looked after. Social Golf still requires divots to be filled. 99% of divots will be made by Members as there are very few Regional or Local Green Fee Players at the present time.

Carts need to stay 5 to 10 metres from the Greens at all times. Cart signs have been added all around the Course to direct drivers and are positioned for good reasons. Last Saturday there were 3 signs at the beginning of the 13<sup>th</sup> Fairway indicating that all carts should remain to the right hand side, yet there were wheel marks straight down the middle?

Please be vigilant and let's take care of our Course.

**Phil Ellard - Men's Captain**
