

Where Golf and Nature Play

To All Members - September 21, 2021 Golf Competition Next Week

Dear Members,

The Phillip Island Golf course will be closed on **Monday September 27** for Coring of the Greens. There is no Booking Sheet for this day. Other facilities, putting green etc are available.

Social Golf on Tuesday September 28 will be twice around the Front 9.

Even though it is Social Golf, for a twice around the front day to run smoothly, a gap in the field is required. This is normally achieved with the 9 Holes teeing off between 8:30am and 9:30am. Hence the Booking Sheet for Tuesday has been organised accordingly.
